“HE THAT LEADS US”

by Carrie Oliver

Troubled heart ?
Troubled mind ?
Troubled soul ?

The path may be narrow at the start, seeming endless.
Like the dark starry night.
Engulfed with the mysteries it holds.
But faith, like the path, shall either gradually or quickly widen.
Letting us grow strong while on it.
For only He that leads us, shall guide us.

The Lord is our hope.
The Lord is our joy.
The Lord is our strength.
The rock on which we all need to stand.
Let only He that leads us, guide us.

...Lead us Lord...
...Lead us...
